## Benefits & Services

### Business Referrals

The Chamber is the clearinghouse for information about Chowchilla, its businesses, and surrounding area. The staff responds to numerous inquiries a month resulting in increased business opportunities for members.

### Advocacy

The Chamber is the voice of business in Chowchilla and surrounding area. Through representation and partnerships with other agencies, the business viewpoints affecting the community are presented in several forums:

- Chowchilla City Council
- Madera County Transportation Commission
- Yosemite Sierra Visitors Bureau
- Madera Chamber Tourism Alliance
- Yosemite Gateway Partners
- Central California Chamber Alliance
- Madera County Arts Council
  - California Department of Transportation
  - Candidate Forums

### Economic Growth

The Chamber actively supports businesses and encourages our community to do business locally. Buying locally stimulates the local economy and makes it stronger.

### Business Seminars

The Chamber sponsors several business seminars and/or workshops as well as provides many resources to help business manage and operates more efficiently.

### Tourism

The Chamber has available and dispenses numerous recommendations for area points of interest and posts community events with the Yosemite Sierra Visitors Bureau. The Chamber is conveniently located and aggressively works with tourism venues to feature Chowchilla as a convenient location to begin a tour of Madera County on the way to Yosemite.

### Monthly Newsletter

The Chamber Community Matters Newsletter is a monthly publication mailed to all our members each month to keep the membership informed of happenings and events, and new business members. It also offers economical marketing and advertising opportunities.
